The Fox Hole

117 HARRINGTON STREET, THE ROCKS.

The Fox Hole is built around drinks worth talking about. Curious wines. A national award winning cocktail list. More than 70 gins and 50 whiskies, with plenty to discover between them.

Our wine list, awarded Two Glasses at the 2026 Australia's Wine List of the Year Awards, brings together 50 wines chosen for balance, drinkability and personality. Every one is available by the glass - including the premium and cellar-aged wines.

We're constantly opening new bottles, pouring off-menu favourites and discovering spirits that disappear almost as quickly as they arrive. Ask the team what they're enjoying right now. It's usually a good place to start.

Your next great story starts here...

Signature Cocktails

A TALE IN THREE ACTS

The art of the cocktail is more than just a drink - it's a story in a glass. Inspired by the golden age of 1930s London, this collection is a journey through bold innovation, dramatic indulgence, and timeless refinement. Each sip transports you to a different moment, from the underground bars of Soho to the grand lounges of Mayfair.

Divided into three acts, this menu invites you to begin with the daring and unexpected, revel in the spectacle of showstoppers, and finally, savour the classics - reimagined for a new era. So raise your glass, and let the story begin.

ACT I: VANGUARD

A bold new era begins. Unexpected, daring, and unbound by tradition, these cocktails break the mould with inspired flavours and modern craftsmanship.

Violet Duke — 29

vanilla vodka, blueberry syrup, macadamia liqueur, orgeat, lemon juice, prosecco, egg white

A drink of distinction, Violet Duke blends smooth vanilla, nutty almond, and vibrant berry with a sparkling finish. Rich yet playful, this is indulgence with a regal twist.

FRUITY, NUTTY, EFFERVESCENT, INDULGENT

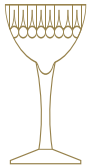

The Rhubarb Club — 27

tequila, lime juice, triple sec, rhubarb syrup, mezcal

A drink with a secret. This drink balances warmth with tart rhubarb and citrus, creating a bold, refined cocktail. Every glass comes with a note - an invitation, a mystery, or a truth waiting to be uncovered..

FRUITY, CITRUSY, SUBTLY SPICED

Beauregarde — 28

ink gin, lemon juice, violet liqueur, honey, egg white

Floral, silken, and striking in form, Violette is a modern expression of perfume and poise. Delicate colour and soft structure give way to bright citrus and sweetness.

FLORAL, AROMATIC, SMOOTH, EXPRESSIVE

Reading Room — 28

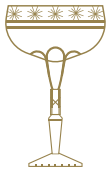

bourbon, macadamia liqueur, white crème de cacao, black walnut bitters, egg white

Quietly confident and deeply composed, Reading Room is built on warmth and balance. Bourbon richness meets nutty depth and cocoa softness, evoking low light and unhurried conversation.

RICH, NUTTY, WARMING, CONTEMPLATIVE

ACT II: PERFORMANCE

The curtain rises on cocktails of drama and decadence. These are the showstoppers - bold, indulgent, and unforgettable.

The White Witch 26

vodka, vedrenne rose, lemon, white crème de cacao, egg white

Bewitching and elegant, blending delicate rose, citrus, and silky sweetness. Inspired by a certain enchanted Turkish Delight, it's temptation wrapped in poise.

FLORAL, SILKY, CITRUS-KISSED SWEETNESS

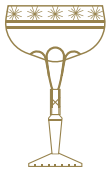

Piccadilly Punch CLARIFIED 28

amaretto, bourbon, lemon, simple syrup, shiraz

Rich, refined, and unexpectedly smooth, Piccadilly Punch layers dark fruit and nutty warmth with elegant restraint - a quietly celebrated signature of the house.

SILKY, NUTTY, FRUITY, ELEGANT

Gatsby Martini 26

vodka, kahlua, espresso, macadamia, raspberry

Indulgent and effortlessly smooth, Gatsby Martini is a raspberry-laced take on the espresso classic — bold, polished, and unmistakably glamorous.

RICH, VIBRANT, SMOOTH, INDULGENT

Smoking Jacket 29

rye whisky, mulled vermouth, mole bitters, rosemary

Refined, spiced, and impossibly smooth, The Smoking Jacket is the fireside drink of choice. With warm bourbon and lingering depth, it's luxury in a glass.

SPICED, RICH, WARMING, SMOKY NOTES

Harlow (RAMOS FIZZ) 28

sloe gin, citrus, cream, raspberry, egg white, soda

All height and soft-focus glamour, Harlow is light and bright, crowned with an extravagant head of foam. Indulgence as illusion - dramatic to look at yet effortless

SILKY, BRIGHT, LIGHTLY CREAMY

ACT III: ERA

Where timeless drinks meet modern flair. Inspired by the grandeur of 1930s London, these cocktails take the classics and rewrite their story.

Suit & Tie — 26

gin, manzanilla sherry, absinthe, lychee liqueur

Sharp, aromatic, and undeniably stylish, Suit & Tie blends floral and herbal notes with a crisp finish. A cocktail fit for the fashionable streets of Carnaby.

FLORAL, AROMATIC, ANISEED, ELEGANT

Golden Age — 29

bourbon, pineapple juice, elderflower, aperol, lemon juice, honeycomb

Bright, bittersweet, and honeyed with warmth, Golden Age pays tribute to London's most opulent era. A radiant elixir for those who live for the finer things.

BRIGHT, TROPICAL, HONEYED, BITTERSWEET

The Tea Ritual — 28

suntory toki whisky, hojicha syrup, walnut bitters

Served tableside in cast iron, The Tea Ritual is a moment of pause. Toasted tea, gentle warmth, and quiet depth unfold slowly — ceremony as a cocktail..

WARMING, TOASTED, CONTEMPLATIVE

Minted Mirage — 26

crème de menthe, white crème de cacao, cream

An opulent illusion of silk and sweetness, We blend cool mint and velvety cacao with a smooth, nostalgic finish. Indulgent, composed, and quietly playful.

CREAMY, MINTY, DECADENT

Dunk Me Once — 28

scotch, drambuie, baileys, cream, caramel, biscoff

Rich, creamy & unapologetically indulgent, we blend honeyed Scotch, soft spice and sweetness into a dangerously smooth pour. Restraint is unnecessary.

CREAMY, SPICED, WARMING, CARAMEL

The Wine List

WINE IS FOR DRINKING, NOT JUST FOR LOOKING AT.

A NOTE FROM US

Recently being awarded Two Glasses, our wine list has been built for the kinds of nights that start with "just one glass" and end several stories later. Some will feel familiar. Others you may not have tried before. Either way, our goal is the same: wines worth sharing and enjoying a second time.

James has been sharing stories about wine for many years, while our sommelier Aaron brings a fresh perspective and growing passion for wine. Brad's role is mostly making sure the wines are genuinely enjoyable to drink - not just interesting to talk about. We take wine seriously, but try not to take ourselves too seriously, which explains why we believe *wine is for drinking, not just for looking at.*

Enjoy this list of wines we're drinking right now.

WHY SO MUCH TASMANIA?

Brad & James both grew up in Tasmania, so the list of wines we're drinking right now tends to drift quietly toward cooler climates, lighter reds and wines with a little restraint and edge.

Having said that, we subscribe to the philosophy that the best kind of wine is the one currently in your glass.

Lists, like rules, are made for breaking.

All the wines on our list are available by the glass - we use a wine preservation system to allow us to pour exceptional wines all the time.

In addition, we'll always have a wine or three open that aren't on the list. Some are rare. Some are new. Others are open simply because we wanted to try.

Ask the team what's open right now.
